Patient Order form Instructions:

Please note: FxMed products are authorized as practitioner-only supplements. Any patient sales must have approval from an FxMed-Registered Practitioner.

1. Please print name, address *and* contact details as clearly as possible.
2. Indicate the products you would like to receive by marking the quantity required.
3. Complete the costing in "Amount" column and write "**Total**" including freight charges.
4. FxMed is not responsible for any loss, damage or theft resulting from goods left at premises.
5. Please complete payment method below – full payment is required before shipment of goods.
6. First time patients must fax the form through with all relevant details supplied (or it can be scanned & emailed).
7. **Credits and Returns:** No credit will be processed for returned goods unless: the goods were supplied in error; incorrectly addressed or were damaged in transit and a request for credit is lodged within two days of receipt, along with the invoice and date of order and the goods are returned within 7 days.
8. **Out of Stock Items:** FxMed operates a back order system. Out of stock items will be back-ordered and advice given as to expected delivery date. Any back ordered items will be forwarded freight free as soon as they are available.

Certification and Acknowledgement (THIS SECTION MUST BE COMPLETED)
